YOUR LIFESTYLE FARM AWAITS

An outstanding rural coastal property conveniently located between Macksville, Bowraville and Nambucca Heads (all within a 10-12 minute drive) and only 40 minutes to the thriving regional city of Coffs Harbour.

'Korangi' is currently operated as a working cattle property, with 40 acres of versatile productive cleared grazing land, but could be converted into a horticulture farm due to the gentle north and north east facing slopes and seemingly abundant source of water, including town water connection, 9 mega litre bore license, dam, and multiple water storage tanks (totalling approx. 50,000 litres).

The well-presented 5-bedroom, 2-bathroom homestead could easily be used as B&B accommodation with bedrooms at separate ends of the home and a large undercover outdoor entertainment area. The homestead includes an excellent working kitchen with large walk-in-pantry, spacious living and dining room areas warmed by a wood-burning fireplace and cooled with air-conditioning units.

The verandah allows you to rest and unwind peering through the established gardens and trees which provide a private and peaceful setting. Family and guests will all enjoy the outdoor entertainment/BBQ area which overlooks the 10 metre inground salt-water swimming pool and manicured grazing land.

The homestead is surrounded by gardens and native trees with an orchard, predominately of Davidson Plum trees, as well as a vegetable garden. The
